

Evidencing the Impact of Primary PE and Sport Premium

Pitcheroak School March 2019 - April 2020

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school will be **physically literate** and will have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

- To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.
- **It is expected that schools will see an improvement against the following 5 key indicators:**
 1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
 2. the profile of PE and sport being raised across the school as a tool for whole school improvement
 3. increased confidence, knowledge and skills of all staff in teaching PE and sport
 4. broader experience of a range of sports and activities offered to all pupils
 5. increased participation in competitive sport

REFLECTION ON PREVIOUS ACADEMIC YEAR: WHAT HAVE WE ACHIEVED?

Academic Year: 2019/2020	Total fund allocated: £16,580
------------------------------------	---

Key priorities to date:	Costs:	Key achievements/What worked well:	Key Learning/What will change next year:
5. Increased participation in competitive sport: Festival of Sport for KS2 Pupils – identify additional primary partners to participate in the annual Festival of Sport at Pitcheroak.	£500*	The Festival of Sport was planned to take part during National School Sport Week (22nd-26th June 2020) however due to the current Covid-19 pandemic this has not been possible. Initial contact was made with an additional partner (Chadsgrove School) on 09.02.2020 who confirmed their attendance at the event and the YST inclusion lead teacher was in the process of sharing the details of the event with additional primary partners before school closed on 20.03.2020.	The Festival will be rescheduled for summer term 2021 with additional funding hopefully in place as this event would like to be held at Abbey Stadium Sports Centre.
4. Broader experience of a range of sports and activities offered to all pupils – Zumba SEND after school club for pupils by a dance specialist.	£675	Zumba after school club delivered during summer 2 2019 and autumn 2 2019 by Philippa Young (Young and Funky Fitness). Excellent opportunity for pupils to	Continue to offer Zumba as an after school opportunity for more pupils and identify more unique learning areas such as Yoga that could be provided for pupils.

<p>3. Increased confidence, knowledge and skills of all staff in teaching PE and sport – CPD for swimming training so that teachers can achieve swimming teacher status</p>	<p>£800*</p>	<p>develop their knowledge of an area of the curriculum many will not have experienced before. The activity helped develop pupils' healthy and active lifestyles, confidence, enjoyment and a commitment and desire to improve a new skillset.</p> <p>2 x NQT members of staff showed an interest and commitment to completing an ASA level 1 swimming assistant teacher course at Abbey Stadium during April 2020. The courses were postponed in light of the Covid-19 pandemic.</p>	<p>Continue to offer and develop swimming training provision for EYFS and KS2 staff. Additionally, identify further CPD PE opportunities for staff, e.g. Smart Moves training.</p>

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	Please see below for additional information relating to the context of Pitcheroak School
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes. Two members of staff have shown an interest in developing their swimming teaching credentials and have agreed to undertake an ASA level 1 assistant swimming teacher qualification. The qualification was due to take place in March 2020 however was postponed due to the Covid-19 pandemic. This is an ongoing commitment of the school following 6 teachers completing the same course during the 2016-17 academic year.

Pitcheroak School is a Special Educational Needs and Disability (SEND) school that specialises in pupils who have a diagnosis of Autism Spectrum Disorder (ASD), Severe Learning Difficulties (SLD) and Moderate Learning Difficulties (MLD). Pupils in Early Years Foundation Stage (EYFS) and Key Stage 2 attend a weekly swimming lesson bi-termly. The focus of these lessons is on pupil development in relation to water confidence, independent manoeuvring around the pool and, where possible, stroke proficiency. Each pupil is currently working from the STA International Learn to Swim Programme ranging from levels 1 to 4 (STANley award).
