Dear Parents/ Carers

Parent Governor

Firstly, I would like to welcome Julie Hick (parent of a student in the Sixth Form) to our Governing Body, we are so looking forward to working with her in a different capacity. A huge 'thank you' goes to Nicola Habgood and Lorraine Doyle who have been Governors over the last couple of years and they have given up their time selflessly to support the work of the school.

New website

We are excited to announce that we have been working on re-designing the school website and it will be launched on the 01.12.2020. Some of you will be pleased to learn that it will be optimised for mobile phone users. Additionally, you may want to [follow us on Twitter](#), I for one have loved seeing what the children have been up to in class via the tweets. [@pitcheroaksch](#)

A reminder about government guidance during lockdown

Under the terms of the new lockdown, you may only leave your home for specific reasons. These will include:

- Education
- Work, if you cannot work from home
- Exercise and recreation outdoors, either with own household or bubble, or on your own with one person from another household or bubble
- For medical reasons, appointments, or to escape injury or harm, including domestic abuse
- To shop for food and essentials
- To provide care for vulnerable people or as a volunteer.

COVID-19

Worcestershire County Council have asked us to continue to report any positive cases to them. If you child has COVID symptoms and/or a positive test result it is vital that you let us know. Please call the school or send an e-mail to office@pitcheroak.worcs.sch.uk this will then help us with our response and planning.

Many thanks once again, for your on-going support.

Yours sincerely

S. Holden
