Without this school and all the effort they put in my child would not be receiving an education and support. Would like to say thank you for all the staff's hard work.
Just love the support, Much appreciated.
My child is happy at school and we are satisfied with his progress and how he is looked after at school.
I consider Pitcheroak to be the best school in the area for my son. It is well led, teachers work with professionalism, understanding and very importantly a sense of humour. My son loves his school and proudly tells everyone about it.
The car park could be better for parents that need to use of with children that are 'runners'. Staff could park a bit further down.
Since my daughter has been at this school she has done very well and I'm so proud of her.
I would like more on-going information about all aspects of my son's learning and progress.
Bit disappointed about lack of communication but other than that I'm very happy that my child has settled and is happy. Thank you.
If an outstanding service may be provided, I/we recommend Pitcheroak School as a premier place to learn to live.
My child has only been at Pitcheroak for a month and has settled in well so far.
My child is very happy at school. Strongly agree.
Overall we are very happy with Pitcheroak School. Our child has made tremendous progress.
All answers are as I see the school so far – as my child only started in September. I must say that during the Macmillan coffee morning the children helping were very polite and well-mannered and a credit to the school and their parents.
We are more than happy with the standard of care and education. The teachers are very approachable and listen to our concerns and queries and keep us well informed. We look forward to continued working with the school.
