

Monday 27 September 2021

Dear Parents and Carers,

I hope this letter finds you well.

As you are aware COVID is still within our community, and I appreciate all that you are doing to try to reduce risks. Unfortunately, we have had some positive cases at school and this has meant disruption for a small number of learners. As I am sure you can appreciate I am unable to provide you with any names of either pupils or staff but rest assured I will notify you if a positive case has been identified in your child’s class. As I am unable to provide you with Track and Trace contact information I would advise you to contact your child’s own specialist medical practitioner if you are worried.

You will have seen on the news about the 12–15-year-old vaccination programme. Once again this is being rolled out by the NHS and I am sure they will provide further information in due course.

As always if you wish to have LFD tests, please contact the main office or pop into reception.

Forest School Clean Up

We would be grateful if any parents/carers could volunteer to help us tidy up the Forest School area. Over the past 18 months Forest School has become a little neglected and it would be lovely if we could spruce this area up. So, if you are willing and able, please let us know. You will need to bring your own gardening gloves, secateurs, a lopper, a broom/ dustpan and brush and if you are handy with a screwdriver (we need shelves putting up) then we would love to hear from you. Once we have a list of willing volunteers, we can put together small teams to overhaul this area and create a well-organised learning space for our pupils.

Dates for your diary

1 st Oct – 31 st Oct	Black History Month
4 th Oct	Harvest Festival – tins/ packets for food bank
20 th Oct	Parent’s Evening 4pm-7pm
