

Evidencing the Impact of Primary PE and Sport Premium Pitcheroak School April 2021 – March 2022

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school will be **physically literate** and will have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

Funding has been provided to ensure impact against the following **OBJECTIVE**:

- To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.
- **It is expected that schools will see an improvement against the following 5 key indicators:**
 1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
 2. the profile of PE and sport being raised across the school as a tool for whole school improvement
 3. increased confidence, knowledge and skills of all staff in teaching PE and sport
 4. broader experience of a range of sports and activities offered to all pupils
 5. increased participation in competitive sport

Vision: **ALL** pupils leaving primary school will be **physically literate** and will have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

FORWARD PLANNING FOR NEXT ACADEMIC YEAR: WHERE NEXT?

Academic Year: 2021/2022	Total fund allocated: £16,580
-----------------------------	----------------------------------

PE and Sport Premium Key Outcome Indicator	School Focus/ planned <u>Impact</u> on pupils	Actions to Achieve	Planned Funding	Actual Funding	Evidence of impact	Actual Impact (following Review) on pupils	Sustainability/ Next Steps
1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	Complete PE Resource for EY's and KS1	Renew resource membership so it can be accessed by the EYFS and KS2 teams for Physical Development lessons.	£750		The online resource and assessment tool will provide non-specialist teachers with the convenience of being able to deliver whole child personal development through high-quality physical education. The two resources also link directly to the new Ofsted framework,		Develop the online resource and assessment tool so it can be cross referenced with SOLAR. Look to purchase the resource for other non-specialist staff.

					allowing teachers to evidence the progress pupils make, highlighting a clear progression of skills.		
3. increased confidence, knowledge and skills of all staff teaching PE and sport	Youth Sport Trust Active Lead course for teachers	Register interest for the course and identify staff who will benefit from the Active Lead course.	£898.20		Improved confidence and subject knowledge of non-specialist staff; Pupils to benefit from high quality physical development and activity.		Identify clusters of staff that will be upskilled through the Active Lead course.
4. broader experience of a range of sports and activities offered to all pupils	Horse riding opportunities for KS2 pupils.	CK to identify preferred centres and groups of pupils for the activities to take place.	£500		Pupils to develop confidence, self-esteem, belief, and physical and emotional well-being in a new skill/activity.		On-going activity to kick start a passion for riding for some that may be continued in the KS3 residential experience and in later life.

<p>2. the profile of PE and sport being raised across the school as a tool for whole school improvement</p>	<p>Association for Physical Education Membership (2021-22)</p>	<p>Membership renewed on 12.07.2021</p>	<p>£95</p>		<p>Pupils and staff to benefit from a range of updated resources and guidance. The school will also become part of the subject community – developing effective links with partner schools in relation to Physical Education.</p>		<p>Re-apply for the AfPE quality mark in 2023 and aim to regain distinction status.</p>
<p>2. the profile of PE and sport being raised across the school as a tool for whole school improvement</p>	<p>Youth Sport Trust Membership (2021-22)</p>	<p>Membership purchased on 01.07.2021</p>	<p>£525</p>		<p>School to benefit from implementing measures including personal development toolkits, curriculum mapping guide, post Covid-19 toolkit and consultancy</p>		<p>Continued membership and staff benefiting from the measures highlighted in the impact column. Also possible exploration of completing the YST Quality Mark.</p>

					phone calls on school improvement in PE resulting in pupil progress, confidence and staff professional development.		
5. increased participation in competitive sport	Work towards the School Games Mark 2021-2022	Identify a new 'sporting excellence' group in line with the healthy school's award to attend and compete in School Games events.	£500		Increase in pupils' social skills, ability to participate in intra-school competition, knowledge of different sporting events which can be replicated in school and aid further learning progress.		To apply for the School Games Silver award (2022/23) upon successful completion of the bronze award (2021/22).
1. The engagement of all pupils in regular physical activity – kick-	Swimming bookings	Ensure facilities are booked for KS2 swimming lessons post Covid-19.	£1,500		Continued progress in pupils' water confidence, independent		Enhanced learning experience for pupils by having more swimming teaching qualified

starting healthy active lifestyles		Identify new swimming award schemes for pupils to work towards.			manoeuvring around the pool and, where possible, stroke proficiency. Pupils will work towards tailored award schemes and successfully complete these during the academic year.		members of staff. Upon completion of awards, pupils to move on to the next criteria/award.
5. increased participation in competitive sport	Festival of Sport for KS2 pupils	Identify additional primary partners to participate in the annual festival of Sport at Pitcheroak.	£200		Student motivation; working with external partners; physical activity for pupils; competition		Develop this as an annual event engaging more partners to celebrate inter-school competition.
3. increased confidence, knowledge and skills of all staff in teaching PE and sport	CPD for swimming training so that teachers can achieve swimming teacher status	Find suitable courses run by the Abbey Stadium; Release funds for staff cover so that they can be trained	£600		Teachers will be able to deliver swimming as a result of training; Increase in % of staff trained (33% in March		Timetable changes so that there is a distributed teaching model in place that is sustainable

					2019) A further 3 members of staff completed training during summer 2021		
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Surfacing to be completed in the Outdoor Fitness Area.	Previous tender to be approached amongst 2 other bidders to complete the Outdoor Fitness Area surfacing with rubber mulch. Bidding process to begin Autumn 2021	£5,000		Additional scope to develop PE curriculum and encourage positive play at break and lunchtimes		The new outdoor PE area will provide additional facilities for PE to take place. Reduction in incidents of negative behaviour recorded on SLEUTH. The completion of the surfacing will offer a high quality physical activity area for pupils.
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Installation of ActivAll – a totally inclusive activity workout.	MW held a meeting with Kerry Cutler from ActivAll on 14.05.2021. The installation was going to be further explored upon the	£3,500		ActivAll will encourage young people of all capabilities to keep active. It will be instrumental in aiming to tackle obesity, and		Additional pieces of equipment installed to promote access for more pupils.

		commitment of the Primary PE and Sports Premium funding. MW to make additional contact in autumn 2021.			provide pupils with healthy minds and bodies. As well as helping to reduce obesity it will also be a great way to improve mental agility, concentration, hand/eye coordination and many more essential skills.		
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Installation of outdoor fitness wall panels to the fitness area.	MW to contact 'all play solutions' regarding the installation.	£1,500		The wall panels will help enhance fitness levels and provide pupils with healthy minds and bodies. The addition of the wall panels along with the existing equipment will allow staff/pupils to		Based on the success/popularity, additional panels can be added to the outdoor fitness area to maximise physical activity opportunities for pupils.

					co-ordinate and deliver outdoor circuit training sessions.		
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Themed charity dance day	Charity Dance Day to raise funds for British Blind Sport.	£600		Enhanced curriculum; Pupil motivation, engagement and enjoyment will increase		Charity of the year embedded within a cycle of fundraising PE activities 21-22 – British Blind Sport 22-23 – Macmillan 23-24 – Think Pink 24-25 – British Heart Foundation
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Bikeability Level 1 Programme to be offered to KS2 pupils.	MW emailed WCC on 07.09.2020 to provisionally book places for the programme. This was cancelled due to Covid restrictions. CK to follow this up as primary lead on PE.	£100 Total: £16,268.20		Long Term Curriculum Plan improved; Student motivation; Fitness and active levels to increase due to the development of a new skill.		Staff currently working at Pitcheroak will be up-skilled and be able to deliver 1 x unit on cycling for KS2 classes as part of the LTP.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	Please see below for additional information relating to the context of Pitcheroak School
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes. This is an ongoing commitment of the school following 6 teachers completing the same course during the 2016-17 academic year. 3 x KS2 teachers started their training during the Summer Term of 2021. Funding has been allocated to upskill more staff within the KS2 department who have a responsibility to deliver swimming as part of the curriculum.

Pitcheroak School is a Special Educational Needs and Disability (SEND) school that specialises in pupils who have a diagnosis of Autism Spectrum Disorder (ASD), Severe Learning Difficulties (SLD) and Moderate Learning Difficulties (MLD). Pupils in Early Years Foundation Stage (EYFS) and Key Stage 2 attend a weekly swimming lesson bi-terminly. The focus of these lessons is on pupil development in relation to water confidence, independent manoeuvring around the pool and, where possible, stroke proficiency. Each pupil is currently working from the STA International Learn to Swim Programme ranging from levels 1 to 4 (STAnley award).
